Student Reponses to Open Ended Questions:

- *What were the strengths of my instructor's course management and teaching style?*
  - Instructor was able to explain in context for those that did not have strong Econ background.
  - I liked and appreciated the structure/management. This class was very engaging due to the teaching style. He posed questions throughout the class lectures that kept me actively engaged and had me critically thinking about the concept he just taught.

- *What advice do I have for my instructor about the use of instructional time (face-to-face and/or online)?*
  [No Response]

- *What did I most appreciate about how my instructor interacted with students?*
  - instructor's willingness to help students prepare for examination and comprehend lectures.
  - He was very approachable before, and during class regarding questions. So I felt comfortable asking and answering questions. Thanks to this I felt comfortable answering questions posed throughout the lecture - despite not being too sure- this helped keep me engaged.
